By accepting this scholarship award, you agree to abide by the policies, rules, and regulations governing UNT. You authorize UNT to verify the information you have provided as needed. You understand that recipient information, including information from the Free Application for Federal Student Aid (FAFSA), may be provided to the donor(s) and/or UNT department(s) funding any scholarships received, and that notice of this award may be publicized in university materials. You authorize UNT to provide copies of grades and periodic performance updates to the selection committee as needed, including members of organizations or foundations overseeing donor interests (i.e., foundations, trust administrators, etc.). For students on externally funded sponsored projects, funding and selection processes are mandated/overseen by the sponsor/PI and your participation with related reporting requirements is expected. Finally, you understand that the submission of false information is grounds for rejection and/or withdrawal of a scholarship offer.

Please note that this award information will be sent to Student Financial Aid & Scholarships so that it may be coordinated with your other awards received for the current award period. Once posted to your student account, receipt of this late spring award may cause other scholarships (awarded by UNT or outside agencies) and other resources (federal, state and institutional financial aid) to be adjusted if you exceed the current cost of attendance at UNT, or exceed your "need" for assistance as calculated by the Free Application for Federal Student Aid.
